Recent Success Story:

- This family was referred for services by Jefferson County DCS. The family consisted of mother, boyfriend of mother and one child age 9. The referral stated that the family needed connected to supports and resources and had no support in the area. The referral also stated that the family needed connected to resources for Autism. The family shared the same goals as the referral and also wanted to find activities for their child to participate in. IHBS assisted the family with applying for BDDS and started the process for Medicaid Waiver. IHBS was able to connect the family to a soccer league for children with disabilities. The family was thankful for the assistance in completing the BDDS application and connected to activities for the child.
- This family was referred for services by Decatur County DCS. The family consisted of mother, father and one child. The family was in need of services to gain stability, connect to mental health services, prenatal care, food resources and a primary care physician. IHBS met with the family and assisted with applying for Medicaid and food stamps immediately. IHBS connected the family to mental health services and established the first appointments for both mental health services and prenatal care. The family was provided with resources for food assistance through the community and connected to housing resources. The family has been connected to resources that will assist with rental assistance, should that be needed. Prior to closing the family was connected to the Healthy Families Program.
